OFFICE OF PETITIONS

In re Application of  
Wang et al.  
Application No. 09/501,179  
Filed: February 10, 2000 (CPA 11/1/2001)  
Attorney Docket No.  
2314.00600002/JUK/SMW

DECISION GRANTING LETTER  
REGARDING PTA

This decision is in response to applicants' "REQUEST FOR RECONSIDERATION OF PATENT TERM ADJUSTMENT DETERMINATION UNDER 37 CFR 1.705(d)" requesting that the determination at the time of the issuance of the patent be corrected from 93 days to a determination of 274 days.

Applicants' request is **GRANTED**. The Office will adjust the PAIR calculation to reflect a determination of zero (0) days at the time of the mailing of the notice of allowance. In addition, the Office will *sua sponte* issue a certificate of correction reflecting this decision.

Applicants allege that the correct amount of PTA at the time of the issuance is two hundred and seventy-four (274) days. Applicants assert that the Office failed to meet the requirement of 37 CFR 1.702(b) by a period of 365 days. Applicants also assert that the appropriate amount of Applicants delay at the time of the issuance of the patent is 91 days. Applicants delay is for failure to reply to the Office within three-months under 37 CFR 1.704(b).<sup>1</sup> Applicants dispute the 120 reduction for the miscellaneous letter that was filed by applicant on October 18, 2004. Applicants assert that the "miscellaneous incoming letter" was the request for PTA consideration.

Applicants arguments are persuasive. The office notes that the 120 day reduction is in error. The submission of the request for PTA reconsideration is not considered a failure to engage in reasonable efforts to conclude prosecution. See 1.704(e). Accordingly, the 120 reduction is in error. Moreover, applicants are correct in the amount of Office delay as well as applicant delay. The Office delayed by 365 days in the issuance of the patent under 37 CFR 1.702(b). Moreover, the applicants failed to engage in reasonable efforts to conclude prosecution of the application by a period of 91 days under 37 CFR 1.704(b). Overall, the correct amount PTA is 274 (365-91=274).

After the mailing of this decision, the application will be forwarded to the Office of Patent

<sup>1</sup>This determination was decided in the petition decision that was mailed by the Office on September 19, 2005.

Publications for a prompt issuance of a certificate of correction.

The Office assessed the \$200.00 fee. No additional fees are required in determining this request for reconsideration of pTA.
